Testimonials

"I have worked for Pearl Healthcare Group for nearly a year, I have found the managers and staff to be very helpful and supportive. I really enjoy my role and found it to be very rewarding. I have been offered a lot training and inhouse training opportunities.

I enjoy working with and supporting people with a learning disability and complex needs to maintain and develop their life skills."

Supported Living Services

Where care comes first

— Welcome to Supported Living —

The Supported Living Services has a proven track record in delivering person centred, flexible support that promotes choice, inclusion, dignity, respect, control and is empowering.

Together we create a personalised support plan based on your assessed needs that focus on your interests and skills.

Our aim is to support and empower you to make informed choices, thus developing and encouraging greater independence and control.

Our highly skilled and experienced team are happy to provide support and discussions around finances and benefits.

— The Oaks —

The Oaks is a four-bedroom supported living property offering individual tenancies.

All support is tailored to your assessed individual needs, we are able to:

- Support you manage your finances.
- Assist you with your personal care needs.
- Support you to find employment, educational or leisure opportunities within the local community.
- Support you to maintain your tenancy.
- Support you to maintain and develop your independence and life skills.

— Community Supported Living —

The Community Supported Living Service offers bespoke services providing 1:1 daily and weekly visits for people with a severe learning disability and other associated conditions, such as autism.

All visits are person-centred as identified within the assessment and care planning process. We also offer social opportunities, such as shopping, days out, accessing healthcare services and appointments, leisure, and support to enable you to meet and keep in touch with friends and family. We can also offer advice and assistance with your finances and benefits.
