## Testimonials

*"I just wanted to let you know that a member of your team has been amazing since my son moved in, she has understood all his needs and that there is more to him than is first thought when you meet him.*

*I have been welcomed every time and have also been listened to, as she understands I know my son best, and she is always more than happy to talk to me even when she is off duty. My son has a lot of respect for her and so do I.*

*She is an amazing member of your team, and you are all lucky to have her."*

Capricorn Cottage  
Complex Needs Services

*Where care comes first*

## *Welcome to Complex Needs*

We can provide bespoke support for people with complex needs, learning disabilities, and those who have a range of additional needs, including mental health and behaviour that is seen as challenging.

We offer accommodation across different service types, these being 'Rose Cottage' and 'The Squirrels'.

We work closely with health and social care professionals to ensure the right support at the right time to enable you to transition through the service.

To do this, we work closely with you and your circles of support and professionals to ensure continuity and consistency of support.

## *The Squirrels*

The Squirrels is a single service comprising of a bedroom, en-suite, lounge and kitchen dining room, with its own entrances and access to a secure garden area.

The Squirrels offers bespoke 24/7 staffing levels to meet the person's assessed needs. The Squirrels has a proven track record in delivering person centred, flexible support that promotes, choice, inclusion, dignity, respect, control and is empowering.

Together we create a personalised support plan based on your assessed needs that focus on your interests and skills.

Our aim is to support you to make informed choices, thus developing and encouraging greater independence and control.

## *Rose Cottage*

Rose Cottage comprises 4 single bedrooms, each room offering an en-suite facility (toilet and sink) with access to a wet room. There is also a separate lounge and kitchen dining area, as well as Rose Cottage having its' own access and secure garden area for you to enjoy.

Rose Cottage can offer you additional 1:1 and 2:1 support to meet your assessed individual needs.

We will enable and support you to reach your full potential, to maintain your independence, to manage your finances, to assist you with your personal care needs. As well as supporting you to identify and maintain educational and leisure opportunities within the local community.
